HOT TIME AT EMERALD LAKE—Flames roar through a barn and garage at 762 Hillcrest Dr. while the County Fire Dept. speeds to the scene to keep a blaze from getting out of control in the wooded area back of Redwood City. See story Column 6.

$3735 Loss In Weekend Blaze Here

A fire late Saturday afternoon consumed a barn at 762 Hillcrest Dr., Emerald Lake, and a garage on the next door property, causing total damage estimated at $3735.

The county forest service reported that the fire started in the barn owned by John E. Stewart. It was first noticed by 5-year-old John B. Stewart, when the flames already had reached the roof.

The heat and sparks ignited a detached garage owned by Gustave Trayer, 750 Hillcrest Dr., and totally gutted it.

An automobile and motorcycle at the front of Stewart's garage were pushed to safety before being damaged. Firemen said that the damage to Stewart's barn totaled $2235.

Burned in the blaze were 15 chickens, chicken coops next to the barn ,a horse trailer, hay and grain. The damage to Trayer's garage and its contents totaled $1500.

Four trucks from the county forest service were dispatched to the scene and the crews fought the blaze for 1½ hours.

TO CHECK DANCE BID

A request by Peninsula Hotel, 2340 El Camino Real, to hold a dance twice a week was referred Monday by the Redwood City City Council to the police and fire departments for a recommendation.

Candy's Sad, She's No Longer Mother to Pinky's Kittens

Candy Mirandy is sad.

Candy Mirandy is a 4-year-old Cocker Spaniel with a motherly instinct.

Last week three kittens were born to Pinky , an alley cat owned by Joy Thompson, 14, 536 San Benito Ave., Atherton. Pinky became ill and was taken to the veterinarian's.

That's where Candy Mirandy came in.

The Cocker Spaniel looked into the kittens' box and started licking the newcomers. Joy played a hunch that Candy Mirandy might "mother" the kitties and she put them all in a larger box. And sure enough, the dog took over and kept the kittens warm for the two days that the Mama cat had to be away from home.

Joy says Candy Mirandy is sad since she no longer is mothering the kittens—but not jealous. The dog still goes to see that the kittens are all right.

Hammer Victim Asks Property

Mrs. Mitty Karastatiris, victom of a brutal hammer beating by her husband, Monday filed suit in superior court to get control of property which she claims her husband has turned over to friends.

The suit was filed against Theodore Karastatiris, now believed to be in Mexico, and Fred and Adele Hider.

Mrs. Karastatiris charged that her husband, a retired restaurant man, turned over 37 lots, including the couple's Emerald Lake property, to the Hiders.

He did this "fraudulently," Mrs. Karastatiris stated, to defeat a court order which she later secured, awarding her and the two children $200 a month for their support.

Stating that she is destitute, Mrs. Karastatiris asked the court to declare Karastatiris the owner of the property, so that it will be subject to the lien of judgment.

Fire Bugs Set Three Blazes In So. County

Fire bugs today were blamed as the cause of three set grass fires reported yesterday in the Sand Hill Rd. areas of the Woodside and Menlo Park Fire Dists.

Woodside Fire Chief John Volpiano reported that at 2 p.m. yesterday, Menlo Park received a call to a grass fire on Sand Hill Rd. He said he drove out in the area to check and discovered a second grass fire in his territory.

A few moments later a passing motorist informed him of a third blaze along the road.

Volpiano said that the three fires were put out by the Menlo Park, Woodside and Stanford University Fire Depts. respectively, and that the fires were blocked from spreading and causing serious damage by a fire trail along the road.

According to Volpiano, a motorist reported seeing three young men stop their car at the scene of one of the fires, get out and walk into a grass area and after flames started burning near them got back into the car and drove away.

Volpiano said that he had a complete description of the car and was investigating the identity of the persons responsible for the fires.

He said that there was no question that the fires were definitely "sets."

4 New Polio Cases Reported in County

Dr. Harold Chope, county health director, Tuesday reported fourn ew cases of infantile paralysis in San Mateo County, bringing this year's total to 14 as against 10 at this time last year.

All four cases involved boys: a Menlo Park boy, 3 years old; a Burlingame boy, 6; a Redwood City boy, 6, and a Midway Village, South San Francisco, boy, 8½.

Doctor Chope said he was "not worried" about the present situation as August and September are always the peak months for polio.

The 14 cases in the county break down with seven from the Menlo Park area, two from San Mateo, two from Redwood City, one from Burlingame, one from Millbrae and one from Midway Village.

The county's worst year was in 1943 when a total of 51 cases were reported. In that year there were 20 polio victims to this date.

Through July of this year there have been 1027 polio sufferers in the state, of which 65 per cent were under 10 years of age. The Los Angeles area has been the hardest hit, Doctor Chope said.

110-Foot Pole Gets Repainted

John Parker of Palo Alto Monday started painting the 110-foot flagpole in front of the Redwood City city hall. He plans to complete the job in one day. This morning he slowly inched his way upwards, carrying three metal paint cans hung from his belt.

He had wires around the pole which were attached to both of his feet and around his body.

The pole was originally brought to Redwood City from the Northwest and floated down San Francisco Bay to the Port of Redwood City.

At one time it stood in front of the San Mateo County court house but was later moved to the city hall.

Probation Plan Carried Out Here

Complete separation of adult and juvenile probation work has been accomplished, as recommended by the last county grand jury, Probation Officer John S. Cowgill announced Monday.

Office space for a new adult probation officer has been provided by Sheriff James J. McGrath in his civil department. All adult probationers now are to report to Donald Helbush, assistant probation officer, at 527 Marshall St.

Cowgill said that at present there are about 150 adults on probation.

Funds for the separation were provided in this year's budget by the County Board of Supervisors. Cowgill said that the adult division still remains under his jurisdiction. The new location will

Chamber Seeks City Property

The chamber of commerce, through Pres. G. E. Towne, Monday night requested the Redwood City council for a lease on city property so that the chamber may construct a new office building.

Towne told the council that space in the city hall the chamber now occupies will be needed by the city government and that the chamber wants to build on city owned land across Middlefield Rd. from the city hall.

Councilmen instructed City Atty. Cuthbert Currie and the real estate committee to consider the deal and bring back a report in two weeks.

Menlo Guild to Give Final Performance of 'You Touched Me'

Menlo Players Guild will give its final performance of the Tennessee Williams-Robert Windham comedy, "You Touched Me," tomorrow night at 8:30 p.m. in the little theater at the Burgess Recreation Center, formerly a part of Stanford Village.

Tomorrow night's performance is being given in conjunction with the Dramatist's Alliance 13th Annual Assembly which will be held on Saturday at the Palo Alto Community Center. The Guild is acting as host to the assembly this year.

The Guild gave two performances of the play last week on Friday and Saturday evenings.

Incidentally, members of the Guild were interested to read the story of the young motion picture actor, Montgomery Clift, which appeared in a national magazine last week. Mr. Clift came to Hollywood directly from New York where he was appearing in the role of "Hadrian," in the Broadway production of "You Touched Me." Ted Stevens of Redwood City, who is playing the Hadrian role in the Guild production, considers this a good omen for his future career on the stage.
